7 BELLE VUE TERRACE, CHALFORD HILL, STROUD, GL6 8LD

A RENOVATED AND EXTENDED 4 BEDROOM
FAMILY HOME, ELEVATED IN CHALFORD HILL
WITH VALLEY VIEWS AND A DOUBLE GARAGE.

The property

Elevated in the sought-after hilltop village of Chalford Hill, and enjoying beautiful wooded views across the valley, this charming end-of-terrace period home has been substantially extended by the current owners to create superb family accommodation. Most rooms benefit from an open southerly aspect, flooding the home with natural light and making the most of the far-reaching outlook. The main entrance opens into a useful hallway with built-in storage and space for coats, cleverly doubling as a utility area with additional cupboard storage. A door leads to a convenient downstairs cloakroom. From the hall, a step down takes you into the generous sitting room, an impressive space formerly two rooms. Featuring wood-effect flooring and two wood-burning stoves set within fireplaces at either end, the room offers flexibility to create distinct living zones. Double folding doors open directly onto the garden, seamlessly blending indoor and outdoor living. Stairs rise to the

first floor, while the sitting room flows into the stunning family kitchen, forming part of the recent extension. This bright, contemporary space is designed with modern family life in mind. Bi-fold doors open onto the garden, and a further side door provides easy access to the parking area. The kitchen is fitted with shaker-style cabinetry, quartz worktops, an integrated dishwasher, and space for a range cooker and American-style fridge/freezer. A peninsula unit enhances the sociable feel of the room, while underfloor heating ensures year-round comfort. There is ample space for both dining and relaxed seating. The first floor hosts three well-proportioned bedrooms, two of which enjoy modern sash windows overlooking the garden and valley beyond. These are served by a family bathroom featuring a roll-top bath and separate shower cubicle, as well as an additional family shower room with a large walk-in enclosure. A further attic bedroom is located on the top floor.

Outside

A particular feature of this home, and a rarity in Chalford Hill, is the substantial double garage positioned opposite the house. Fitted with roller doors and with hard standing in front, it provides excellent parking and storage, a huge asset in this sought-after hilltop location. Additional hard standing parking is also conveniently located alongside the house. Steps descend to a small courtyard leading to the main entrance, while further steps to the side of the property provide access to the side door and garden. The garden is thoughtfully arranged over a series of terraces, all enjoying wonderful views across the beautiful Golden Valley. The first terrace spans the full width of the house and is laid to artificial lawn, ideal for entertaining and family use. Steps lead down through additional terraces featuring a mix of lawns for children to play, gravelled areas and a paved seating terrace ideal for dining. A timber shed is positioned at the far end of the garden, providing useful outdoor storage. A conveyance from 1953 details reciprocal rights of way throughout the terrace, however, over the years these have been blocked and are no longer used.
