SET IN HALF OF AN ACRE AND ENJOYING GREAT PRIVACY, A SPLIT LEVEL FAMILY HOME IN NEED OF UPDATING. BOASTING TWO GARAGES AND A PRIVATE DRIVEWAY.

The property

Occupying a private position at the end of a secluded driveway, Robinsmead is an individual detached residence set within approximately half an acre of established grounds. Surrounded by mature trees and planting, the property enjoys an exceptional sense of seclusion, with attractive green outlooks from the principal rooms. Much-loved as a family home for many years, it now offers an opportunity for a new owner to enhance and modernise. Originally built in the 1960s and extended more recently, the versatile accommodation is arranged over two levels.

The welcoming entrance hall leads to the principal living accommodation and main bedroom, with stairs descending to three further bedrooms. The kitchen has a range of wall and base units, space for appliances and a door to the gardens. Adjoining is the original dining room, currently used as a breakfast room, with built-in storage.

The later extension provides two generous reception rooms, comprising a sitting room with fireplace and dining room, both with French doors opening onto the gardens. The principal bedroom has a dual aspect and en-suite shower room. Three further bedrooms, including a particularly spacious dual-aspect room, are served by the family bathroom.

A particular highlight is the idyllic and secluded setting, offering privacy while remaining conveniently placed for local amenities and Stroud High, Marling and Archway Schools. Approached via a gravelled driveway, there is parking, a double garage with workshop and a further single garage. Robinsmead contributes towards driveway maintenance.

Outside

Tucked away from the lane at the end of a private driveway, one of the greatest assets of this family home is its seclusion, together with its mature gardens and grounds. Set within a plot of approximately half an acre, the grounds offer something for everyone. A private gravel driveway provides ample parking and leads to a detached double garage with an attached workshop, store, and electric door, this is further complemented by a detached single garage. Steps between the single garage and the house lead to the main entrance. The house itself enjoys a strong connection to the gardens, with direct access from several rooms, including the kitchen, sitting room, and dining room. A patio with awning adjoins the principle living space. The main garden lies to the south of the property and features a delightful combination of lawned areas, mature flower borders, a wooded section, and two interconnected ponds set in front of a timber summer house. All of which create an attractive and tranquil outdoor setting. If children are viewing, we advise that they stay away from the two connecting ponds and the wooded area where there is an electric fence.
